

## COMMONWEALTH BUREAU OF CENSUS AND STATISTICS

Western Australian Office

MONTHLY STATISTICAL SUMMARY FOR WESTERN AUSTRALIA - OCTOBER, 1966NOTES

1. Many of the statistics appearing in this Summary are preliminary and may be amended in subsequent issues. Reference should therefore always be made to the latest available issue.
2. Several tables contain figures which have been rounded (to thousands or, in some cases, millions), without making those adjustments which would be needed to make the rounded figures add to the rounded total. It is for this reason that figures do not always add to the totals shown in the tables.
